# Courage Under Fire

---

An inspirational and deeply moving collection of stories detailing the incredible courage of our Armed Forces. It features contributions from Veterans of recent conflicts (including Iraq and Afghanistan), archive material from earlier conflicts, and reflections from war correspondents and civilians. The book explores how war can affect every day life and includes the recollections of former soldiers who have received treatment for both physical and mental health problems.

## Publishing 22nd October 2010

**Please note:** All book orders will be fulfilled upon publication. For orders that also include christmas cards, card orders will be fulfilled upon receipt with book orders to follow (if received more than 1 week prior to the publication date).
